

# SUPA Performance Request

Before requesting SUPA to perform for your event, please note the following:

1. SUPA is a Washington State non-profit organization. Our goal is to foster musical culture and education. While there is no charge for our performances, we do accept donations for the furtherance of our goals consistent with the laws and limitations governing our non-profit status.
2. SUPA performs for community events, charity functions, and other organizational events. We do not perform for private individuals or parties. We may be able to refer you to individuals or other groups for your private event. Contact John Leder at [supafb@msn.com](mailto:supafb@msn.com) for more information.
3. SUPA receives many requests for performances. We cannot accommodate all requests, so please make your requests as early as possible. In general, we prefer at least a month's notice to organize a performance group for your event.
4. A SUPA member is designated to coordinate and lead each performance. The designated coordinator will be the SUPA representative for your event.
